Plant Growth Regulation
Society of America

44TH ANNUAL PGRSA MEETING AUGUST 6 – 10, 2017

The Plant Growth Regulation Society of America (PGRSA) is a non-profit educational and scientific organization that shares research and ideas concerning the regulation of plant growth that results in safe, environmentally sound and efficient production of food, fiber and ornamentals.

The 44th Annual Meeting of the PGRSA will be held in Anchorage, Alaska. Breathtaking scenery and summer sunshine will provide a beautiful backdrop for the upcoming PGRSA meeting and tours.

Additional information concerning the conference and tours will be available at www.pgrsa.org . Contact pgrsa@gmail.com to be added to the email list for PGRSA meeting information and call for abstracts.

Student paper and travel awards will be available.
